

The breadcrumb - le fil d'Ariane

<u>Target group</u>	3-6 years old
<u>Material</u>	<ul style="list-style-type: none"> - a place, a street in the city - wool or string
<u>Procedure</u>	<p>In a square or a city street, the teacher has previously prepared a labyrinth with a wool or string. He has hang the wool / string in different places in the city and all these places are connected..</p> <p>The children are blindfolded. But in order not to be frightened, children can open their eyes when they feel in insecurity ...</p> <p>Children will use their sense of touch to follow the thread that is next to them. Moreover with their feet they feel the level changes the location (if any). With this sense they can navigate the maze and reach the end of the trail.</p>
<u>Variations</u>	<p>Be blindfolded but in an environment that the kids already know.</p> <p>Do the same activity in a place in the nature to compare the different sensations.</p>
<u>Aims</u>	<p>Socio-emotional competences.</p> <p>→Get to know yourself: Discover one's physical capacities, dare...</p> <p>Competences to observe the environment</p> <p>→ Become aware of kinesthetic information: discover reliefs, obstacles while walking , being blindfolded ...</p>
<u>Comments</u>	<p>-define the place of observation and make sure it is a secure place.</p> <p>-Several people are needed to monitor the arrival, departure and throughout the way in this game</p>
