

IMAGINATION

<u>Target group</u>	From 4 years
<u>Material</u>	Pictures, paper, pens.
<u>Procedure</u>	- The children take a picture and later they try to imagine a story. Afterwards they tell the teacher the story and she writes the story on the paper. Later the children can illustrate their story. If it is a small group, you don't split it. If it is a big group, we split it.
<u>Variations</u>	- To become an actor of this story, to act out the story
<u>Aims</u>	Competences to observe the environment Develop the children's creativity Psychomotricity - drawing Collaboration - creating the story - illustrating it
