

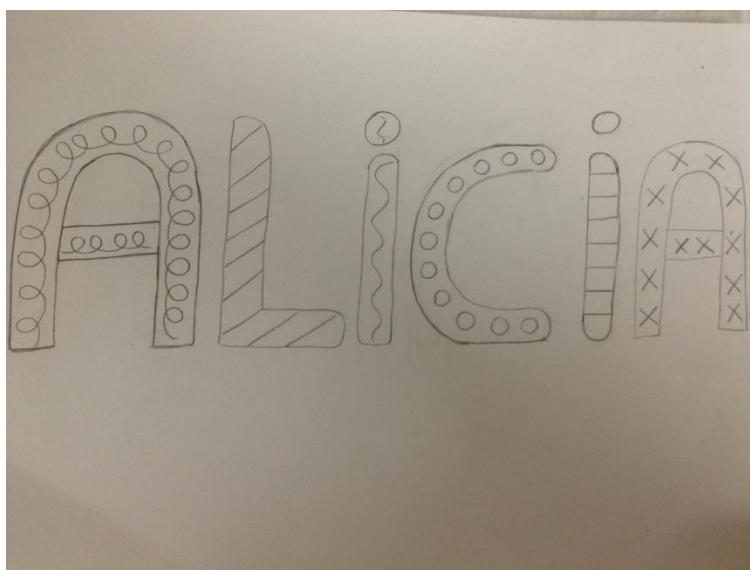

Graphisms inside letters

| | |
|---------------------|---|
| <u>Target group</u> | 4 -6 years old |
| <u>Material</u> | Markers, pencils, pastels. |
| <u>Procedure</u> | <ul style="list-style-type: none"> -The children receive a paper with their names written in capital letters. -The letters are written in big characters. -They have to draw various graphisms and shapes with pencils inside the letters. -Every letter must be filled with a single type of graphism. |
| <u>Variations</u> | -The children have to write their names again with a model and use it to draw inside the letters with different materials such as pastels,... |

| | |
|-----------------|--|
| | <p>-Every letter must be filled with various graphics.</p> <p>- You can also do it with the name of the city / square, with the children drawing something typical of the place in the letters</p> |
| <u>Aims</u> | <p>It stimulates the creativity.</p> <p>Reach the letters with graphisms</p> |
