

Mosaic

<u>Target group</u>	4- 6 years old
<u>Material</u>	For the mosaic (pieces of plastic, mirror, jar...), mirror, plaster, board, glue.
<u>Procedure</u>	We go to the Park Guell with the children. The children take a mirror and put it on their nose horizontally. And they observe the mosaics. Then, with pieces of mosaic (mirror, plastic, jar...) the children create a motif (by 5) on a sheet.
<u>Variations</u>	At the school, the children could create a mosaic on a chopping board. -The children create a motif on their board with the pieces of mosaic.

	<ul style="list-style-type: none"> - Then the children stick the pieces of mosaic on the board. - Then, the teacher makes the cast the plaster on their boards. - Then, the children use a sponge to rub of the plaster of the pieces of mosaics. - Then let it dry.
<p><u>Aims</u></p>	<p>Learn to look at things from another perspective : choose an unusual point of view (use a mirror)</p>
