

Create your own perfume (A1)

<u>Target group</u>	Age: 4-6
<u>Material</u>	<ul style="list-style-type: none">- Little jars (as many as possible)- Water- Plastic sheet- Labels + pencils
<u>Procedure</u>	<ul style="list-style-type: none">- Start = storytelling about the place where you are with the children to create perfumes (magic, fairy tales, elves, ...).- Every child gets one jar with water in it.- They have to collect things (flowers, branches, leaves, pine cones, ...) from the place around them in order to make a perfume. They can search where ever they want but may not go too far away from their group.- First they have to smell every piece they have collected separately. They recognize what is different and decide what they prefer.- Then they choose some elements and put them

	<p>together in their jar with the water to create their personal perfume.</p> <ul style="list-style-type: none"> - They receive one label (and a pencil) for their perfume. They can draw or write (+ their name, the creator's name)
<u>Variations</u>	<ul style="list-style-type: none"> - You can create perfumes with colours (green, yellow, red, ...). - Collecting things for 1 perfume all together.
<u>Aims</u>	<ul style="list-style-type: none"> - They have to use their senses (the smelling is the important sense). - To develop one's olfactive memories. - To learn to compare: for example: find out differences and similarities.
