| <u>Target group</u> | 5 years old                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| <u>Material</u>     | <ul style="list-style-type: none"> <li>- Pictures (size A4) in black and white of different buildings</li> <li>- Coloured pencils</li> </ul>                                                                                                                                                                                                                                                                                                                   |
| <u>Procedure</u>    | Each child takes a picture in black and white of a building. Then he colours the building with pencils.                                                                                                                                                                                                                                                                                                                                                        |
| <u>Variations</u>   | <ul style="list-style-type: none"> <li>- Make it with a head in black and white</li> <li>- Make it with pastels, paintings, ...</li> </ul>                                                                                                                                                                                                                                                                                                                     |
| <u>Aims</u>         | <p>⇒ To make a visual effect</p> <p>Socio-emotional competences :</p> <ul style="list-style-type: none"> <li>- Get to know yourself : Become aware of one's tastes, one's emotions</li> </ul> <p>Competences to observe the environment:</p> <ul style="list-style-type: none"> <li>- Learn to look at things from another perspective</li> <li>- Learn to observe in details</li> </ul> <p>Competences in the different subjects in order to discover the</p> |

Education and Culture DG

Intensive Programme – 2013

Discovering, creating and learning with all senses

|                        |                                                                                                                                                                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                        | <p>environment:</p> <ul style="list-style-type: none"> <li>- Art: <ul style="list-style-type: none"> <li>Act and create to observe, compare and discover: <ul style="list-style-type: none"> <li>• Colours, shapes, materials</li> </ul> </li> </ul> </li> </ul> |
| <p><u>Comments</u></p> | <p>The pictures must be cleared up otherwise we could not colour them because they would be too black.</p>                                                                                                                                                       |
