|---------------------|--|
| <u>Target group</u> | 4-5 years old |
| <u>Material</u> | Broken earthenware, glass, broken plates,... Glue, slices of a tree |
| <u>Procedure</u> | <ul style="list-style-type: none"> - After visiting parc Guëll we ask the children to bring broken earthenware, broken mirrors,... (The teacher also has some supplies and pictures of the mosaics they have seen together.) - First the kids talk about the things they saw in the park and what shapes they had. - Each child receives a slice of a tree and some glue. There are some examples of simple designs on the table that they can copy. - - Then they put some glue on the slice and try to make the design they have chosen. |
| <u>Variations</u> | <ul style="list-style-type: none"> - We make a large one with all the children. - We use nature materials instead of earthenware. |
| <u>Aims</u> | <p>Art : Work artistically with pictures and materials.</p> <p>Language : describe what one has observed.</p> |
