

# TIC TAC BOUM

<u>Target group</u>	From 4 years
<u>Material</u>	ball, scarves to blindfold the children
<u>Procedure</u>	- The children are blindfolded and sit down in a circle. They say together « Tic tic... » and pass the ball from one to another. One child is in the middle and at some point he says « Boum », the child who has the ball at this moment takes his place in the middle.
<u>Variations</u>	--
<u>Aims</u>	- Social-emotional competences : establish relationships with others, and refine one's tactile perceptions.
