

The crazy balloons

<u>Target group</u>	3-5 years old
<u>Material</u>	Elastique, ballons, music.
<u>Procedure</u>	<p>Form two teams and position them opposite to each other, possibly separated by a net or a piece of string. Each participant must have in their possession a balloon.</p> <p>At the beginning of the song, all participants must pass the balloon to the enemy / other team, and then the other way back. When the teacher stops the music, the group that has more balloons in their field marks a point.</p>
<u>Variations</u>	You can play until there is only one balloon left.

<u>Aims</u>	Visual-motor ability, motor coordination, agility, capacity development concentration.
