

Skyline drawing

<u>Target group</u>	4-5 years old
<u>Material</u>	Paper Black pens A nice part of a city seen from the top of a hill or a building
<u>Procedure</u>	Draw just the skyline of all the buildings in one line.
<u>Variations</u>	<p>Give some more instructions. Each child needs to draw just a part of the skyline. At the end you put all parts together.</p> <p>In the kindergarden you hang it on a wall and if possible you visit the big buildings from the city which you can see very good on the skyline picture. Like some towers, churches, etc. There you can make some photos of the buildings and pin them on the wall with an arrow to the building on the skyline picture.</p>

Education and Culture DG

Intensive Programme – 2013

Discovering, creating and learning with all senses

1

<u>Aims</u>	See the skyline of a city. And take a better look at its specific forms.
<u>Comments</u>	If possible choose a place where you can look 360° and make a whole round skyline picture.
