

Complete the picture

<u>Target group</u>	3-6 year old children
<u>Material</u>	<p>crayons, colour pencils</p> <p>Parts of photographs of buildings or sculptures.</p> <p>OR</p> <p>Photos of a building or sculpture with a hole. You can have the same building several times with different holes in different places.</p>
<u>Procedure</u>	Every child has a picture of a famous building or sculpture from the city. Each child has to complete the photo by drawing.

	<p>OR</p> <p>Same procedure to fill in the hole by drawing</p>
<u>Variations</u>	<p>For the youngest children: just complete the picture by filling in the part with the same colour.</p> <p>For the eldest: follow the lines of the building/sculpture, they have to use their imagination to complete the picture.</p>
<u>Aims</u>	<p>Develop imagination</p> <p>Ability of concentration.</p>
<u>Comments</u>	<p>The children can express themselves by drawing.</p>
