

# Painting 360 degrees

<u>Target group</u>	5-6 years old
<u>Material</u>	Paper Black pens
<u>Procedure</u>	The children stand/sit in a circle facing out of the circle. They each get a part of view they have to draw. When they have completed their drawing they can put the drawings in a circle and see the view on paper.
<u>Variations</u>	The teacher can mix the papers up, and the children then have to

	put them together.
<u>Aims</u>	<ul style="list-style-type: none"><li>- The children learn to observe details.</li><li>- They have to work together to put the paintings together.</li></ul>
