

Where is it? (C1)

<u>Target group</u>	4 and up
<u>Material</u>	Instruments or anything that makes sounds, scarves
<u>Procedure</u>	<ol style="list-style-type: none"> 1. Children have to make a circle 2. Blindfold one child that goes in the middle of the circle 3. The children pass around the instrument in their back, so that the child in the middle only hears and does not see where it is 4. After a while the teacher says « stop, » and the children stop passing the instrument around. 5. The child in the middle has to guess without looking which child is holding the instrument in his back.
<u>Variations</u>	The children can pass two instruments in their back
<u>Aims</u>	<ul style="list-style-type: none"> - Listen more carefully - Concentration/Attention
